## REDS ACCUSED OF BLOCKING AN ARMISTICE

Munson, Korea (AP) — United Nations truce negotiators today accused the Communists of "seeking every vicious means" to block a Korean armistice because of their "fear of the truth."

The especially bitter 62-minute session at Panmunjom produced no progress on the lone issue blocking an armistice—what to do about captured Reds who do not want to return to Communist territory. The Communists want them back.

The truce delegation will meet again tomorrow at 11 a. m. 9 p. m. Tuesday EST.

Vice Adm. C. Turner Joy, closing out his last days as head of the Allied truce team, said that in 10½ months of negotiations "I have not heard such vicious, degrading propaganda as that thrown at us today."

Joy declared the Allied stand that no prisoner be forced to return to Red control is governed by the humanitarian principles of the United Nations.

## Board Considering Food Grant Increase

Harrisburg (AP) — The State Public Assistance Board met today to consider increased food grants to some 230,000 Pennsylvanians on relief.

The Assistance Department said any increase approved by the board would probably be put into effect in August.

The board meeting resulted from a public survey showing that food costs have risen about 8 per cent since food grants were last boosted in September, 1950.

The board considered a possible increase last month, but put off a decision pending completion of the latest survey by the department.

Mrs. Eleanor G. Evans, Public Assistance secretary, said the survey, covering March through April, showed that prices had climbed back up to December levels after sinking slightly in January and February.

## Craze of College Boys to Invade Girls' Dormitories for Panties Is Spreading

By The Associated Press

The college boy craze to invade women's dormitories for panties flared anew on campuses from Vermont to Minnesota last night. Harassed police were caught between raiders and the beleaguered girls in the dormitories.

Similar collegiate outbreaks have occurred at other schools in the nation. Apparently, some persons believe, the spring revolts represent the students' way of letting off steam before final examinations.

Here are last night's developments in sixteen sorties:

At Evanston, Ill., some 200 Northwestern University women serenaded in front of the men's dormitories.

At Columbia, Mo., 3,000 University of Missouri men students assaulted dormitories on their own campus and dormitories at Stephens College and Christian College, both women's schools.

At Newark, Del., some 250 male students stormed eight coed halls in the University of Delaware campus. Girls at one house fought back with a fire hose.

Other raids were reported at the universities of Minnesota, Connecticut, Vermont, and Wisconsin.

## Debate Over Potato Shortage Just About as Heated as Hog Program During the Thirties

**BULLETIN**

Pittsburgh (AP) — Reports of price gouging and under-the-counter sales multiplied today in a growing black potato market here.

Dealers also say they have received offers of large potato shipments if they will buy an equal amount of onions and other produce.

Washington (AP) — This year's potato shortage seems to be providing just about as heated a debate on the federal farm programs as did the government project of killing little pigs to raise pork prices in the early 1930s.

Officials say there's considerable criticism of ceilings on potato prices and a lack of price supports.

The pig-killing program sponsored by Henry A. Wallace, then the agriculture secretary, was designed to boost hog prices by reducing pork supplies.

The current potato shortage developed largely because farmers cut production 20 per cent last year. Most of this reduction came in the late potato crop—that portion which goes into storage for use during the winter, spring and early summer.

Farmers reduced their output after Congress directed the Agriculture Department to withdraw price supports. Congress did away with supports because they had cost the government more than 600 million dollars over a 10-year period.

When it became apparent that stocks might not be large enough prices started moving upward. The Office of Price Stabilization stepped in with ceilings. But until corrected, inequities in ceilings as applied market by market served to divert supplies to some markets and away from others.

The shortage has been aggravated by black markets which have given some consumers more than their share.

**MENTAL PATIENT ON PAROLE SHOOTS THREE**

North Wildwood, N. J. (AP) — A patient at a mental hospital, permitted to leave for a visit to his home, wounded three women yesterday during a wild shooting spree in which he said he felt a terrific urge to kill.

After loosing the spray of bullets, 27-year-old Louis M. Yollin surrendered quietly to police who caught up with him two blocks away from the shooting scene.

Yollin told police he was released from Byberry Mental Hospital in Philadelphia Sunday night to visit his mother's home in that city. Instead of returning to the hospital, he went to Atlantic City, commandeered a taxicab and the shooting episode followed.

## Rail Unions Study Labor Peace Plan

Washington (AP) — Three big railroad unions today studied a labor peace plan the White House hopes will end a three-year dispute.

The engineers, firemen and conductors brotherhoods, with a combined membership of more than 150,000, were handed the contract proposal by Presidential Assistant John R. Steelman yesterday. So were the railroads, and they accepted it quickly.

The unions were set for all-day, separate sessions. But they agreed to act as one on final acceptance or rejection.

## First Concert Given by Civic Orchestra Greatly Enjoyed by Enthusiastic Crowd

Another ship of community progress, the keel for which was laid some six months ago, was launched last evening before a full house when the Warren Civic Orchestra gave its first concert at the high school auditorium.

The address of the ceremony was given by Nelson Johnson, member of the board of directors of the group, who briefly outlined the history of the group. Mr. Johnson told how interested persons organized the orchestra as an adult education class for people who love

## BILL BOOSTING SOLDIERS' PAY BECOMES LAW

Washington (AP) — President Truman has signed the bill boosting pay and allowances in the military services by nearly half a billion dollars a year.

The White House announced the signing today. It came in time—Truman had until the end of this month—for the raises to become effective with this month's pay vouchers.

Intended to help offset higher living costs, they range from \$3 monthly for private and seamen to \$65 for two-star generals and admirals.

They apply to approximately 3½ million active as well as retired personnel.

In the final version of the legislation, there was no provision, such as the Senate once voted, to give an extra \$45 monthly to men who are fighting in or have fought in Korea. This may be taken up later under a separate measure.

The pay raise bill calls for a flat boost of 4 per cent in base pay of all personnel and an increase of 14 per cent in allowances for food and rental.

It would give the average low-ranking enlisted man a \$3 monthly raise, or 4 per cent of the present \$75 pay.

## Truman's Veracity Under Heavy Fire

Washington (AP) — President Truman's truthfulness came under additional Senate fire today.

Sen. Bridges R-NH and Sen. Capehart R-Ind joined the chorus of Republicans and Democrats questioning the accuracy of statements Truman made in a political speech before the Americans for Democratic Action ADA Saturday night.

On the Senate floor yesterday Sen. Lyndon Johnson D-Tex said Truman had not followed the facts in asserting that a bill passed by Congress to give the states title to the oil-rich submerged lands off their coasts is like "robbery in broad daylight."

This Democratic criticism was more than matched by Sen. Herman Welker R-Idaho. Welker accused the President of making an "utter falsehood" in naming him as one of a group of Senate GOP members who criticized Sen. Alexander Wiley R-Wis. for defending some administration foreign policy decisions.

## BODY OF MOUNTAIN CLIMBER RECOVERED

Spirit Lake, Wash. (AP) — Rescuers paused on a mountain path last night as a grief-stricken clergyman intoned the last rites of the church over the body of his son who died in an icy crevasse high on Mt. St. Helens.

The youth 20-year-old Arthur Jessett, slipped into the narrow chasm at the mountain's 8,000-foot level while on a climbing trip with three companions Sunday.

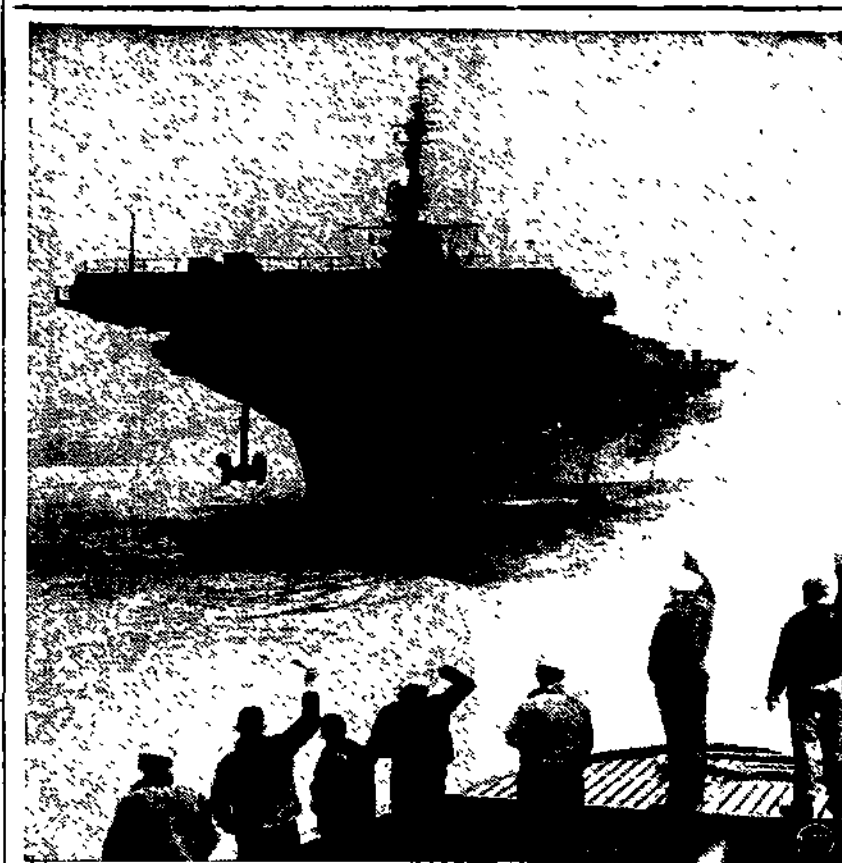

He lived a number of hours talking to his companions as the slipping ice eased him deeper and deeper into the crevasse.

## GRAIN DEALER KILLS WIFE AND DAUGHTER

Philadelphia (AP) — Bucks county Coroner Russell J. T. Ferris reported last night that a wealthy Philadelphia grain dealer had shot his wife and four-month-old daughter and then killed himself—apparently without motive.

The dead were 38-year-old Philip W. Markey, his wife, Elizabeth, and infant, Gay.

## Decision Approves Settlement And Discontinuance of Forest Co. Suit Involving Large Sum

**Livestock Queen To Visit in Harrisburg**

Elveria M. Fagley, county advisor of home-making education, with Dorothy Wakefield, Sugar Grove, who rules throughout the year as Northwest District Livestock Queen, will be in Harrisburg on Wednesday to attend the fourth annual High School Correspondents Club dinner-dance to be held in the ballroom of the Penn Harris Hotel.

The dinner climaxes a year of school-news reporting by students in more than 150 high schools of central Pennsylvania and is sponsored by the Patriot-News Company, publishers of the Patriot, The Evening News, and the Sunday Patriot-News.

Principal speaker will be Phyllis Battelle, outstanding reporter for the International News Service, and special guests will include the Apple Pan Downy Queen of the state, Maple Sugar, Apple, and Potato Queens, and the national Cherry Pie champion, along with their advisors.

A case involving a quarter of a million dollars, which has centered the interest of national labor officials, was settled this morning when Judge Allison D. Wade filed in Forest county court a decision approving a settlement and discontinuance of a dispute between the American Federation of Labor, as plaintiff, and the CIO, as defendant, in a libel suit which grew out of a bargaining election held at the West Hickory Tannery about two years ago.

At that time, rivalry was extremely keen between the two unions as to which should represent the employees of the tannery, and the charges circulated culminated in the libel suit.

Various points in the case went up to the Pennsylvania Supreme Court, and in each instance, Judge Wade was upheld. Trial of the case would have meant months of litigation and the retaining of nationally eminent counsel.

No financial consideration was revealed in the settlement of the matter.

Judge Wade yesterday handed down two opinions in addition to the one dealing with the injunction sought against the Southwest township school board.

In the case of the Commercial Credit Company vs. Frank Mitchell, a motion for a new trial on behalf of the defendant was refused. Mr. Mitchell was represented by Attorney C. Henry Nicholson, and the plaintiff by Attorney E. H. Beshlin.

In the case of B. F. Blauser vs. the Pennsylvania Manufacturers' Association Casualty Insurance Company, a case of compensation in which an agreement was signed for payments over a longer period than allowed by law, Judge Wade (Turn to Page Twelve)

## Routine Business Is Considered By The Library Board

The May meeting of the Warren Library Association Board of Control was held Monday evening in the Pennsylvania room of the public library. Routine reports were submitted and placed on file.

President Cowden announced the following association members to be the nominating committee: R. W. Steber, Spencer Meyer and Charles A. Miller.

There are two vacancies at present to be filled for board membership, created through the resignation of Ernest Miller, and recent death of William Wright. Mr. Cowden suggested that, since there is only one meeting remaining before the annual meeting in July, the filling of these vacancies be left to the nominating committee who will present their report at the annual meeting.

Mrs. Lopez announced the program for the Northwest Pennsylvania District library meeting to be held Friday, May 23rd. She stated that the library will be closed to the public during the day, but the evening hours of six to nine o'clock will be observed and the library will be open to the public at that time.

It was announced, also, that the prize winning pictures from the Woman's Club annual art show are on display in the Wetmore Gallery this week.

A resolution in memory of William Wright was read and accepted by the members of the board. (Turn to Page Twelve)

## EXPECT CLARK TO MAKE AN EARLY REPORT

Tokyo (AP) — The Army in Washington can expect a report speedily from Gen. Mark Clark on Koje Island Red prisoner riots.

The report will cover, too, the case of Brig. Gen. Francis T. Dodd, Koje prison camp commander who was held hostage four days by his own Communist charges.

It also may go into promises—since repudiated—which Brig. Gen. Charles Colson made to gain Dodd's release.

Clark, United Nations supreme commander, will make the report to Washington as soon as high-ranking board of inquiry in his Far East Command finishes its study. Before it are reports and recommendations on the riots and the Dodd case from Gen. James A. Van Fleet and his U. S. Eighth Army in Korea.

Gen. Matthew B. Ridgway, former U. N. Commander in the Far East, is in Washington to answer questions by the Senate Armed Services and Foreign Relations Committees on Koje and other Far Eastern affairs.

There the veteran leader of fighting troops in World War II and Korea began today an intensive one-week course in how to build up and command a standby Allied Army in Europe.

He will get advice from President Truman, military and diplomatic representatives of the United States and 13 other member nations of the North Atlantic Treaty Organization and United Nations officials.

## O'Brien Slaying Not Tied In With Holdup

Boston (AP) — Deputy Police Supt. James F. Daley today branded as a "liar and faker" ex-convict Alfred A. Gagnon, who said he was one of the planners of the fabulous \$1,219,000 Brink's robbery.

Gagnon of Pawtucket, R. I., named himself, Carlton M. O'Brien, Warwick, R. I., roadhouse owner, and Joseph F. McGinnis, former convict as the planners of the nation's biggest cash haul.

He is held in Rhode Island State Prison awaiting trial on a charge of attempted robbery.

O'Brien, 49, was slain in gangland fashion Saturday.

Daley made the accusation in an angry answer to charges from Rhode Island Atty. Gen. William E. Powers that Boston police showed a lack of interest in information they had obtained indicating that the O'Brien slaying was tied up with the Brink's hold-up.

## CURB EXCHANGE WILL HAVE LONGER HOURS

New York (AP) — The New York Curb Exchange has broken an eighty-year tradition with a decision to remain open for business for five and a half hours daily.

John J. Mann, chairman of the Curb Exchange, announced last night that starting June 2 the curb would remain open thirty minutes longer than before on Monday through Friday and close on Saturday during the four summer months. The Saturday closing will start May 31 and trading will be resumed Oct. 4.

The exchange hours of trading will be 9 a. m. to 2:30 p. m. Eastern Standard Time during the summer while Daylight Saving Time is in effect. The hours revert to the regular 10 a. m. opening when Eastern Standard Time is resumed in the fall.

## Penelec Is Granted Increase in Rate

Harrisburg, May 20 (AP) — The Public Utility Commission has authorized the Pennsylvania Electric Co., Johnstown, to put a new \$3,588,000 rate increase into effect, beginning today.

The increase will affect some 324,000 customers in 24 western and south-central counties.

The PUC took no action to suspend the increase, because it said an exhaustive study of the utility's operating data showed it would not yield "an excessive return."

The commission voted three to one, for the increase, with Commissioner John B. Conly, Pittsburgh, dissenting.

Commissioner E. Frank Morgel, Camp Hill, was absent because of illness.

The company said the increase will boost rates of the average residential consumer about two cents a day, while bills of commercial and industrial users will go up an average of six per cent.

The PUC said it received a formal complaint against the rate boost by the city of Erie.

## Presidential Tussles Move Into Montana

By The Associated Press

The Taft-Eisenhower and Kefauver-Harrison tussles for presidential nomination move into Montana today where Republicans pick eight and Democrats name 12.

Traditionally the state's national convention delegations, being selected at separate meetings in Helena, are uncommitted. But backers of the top runners for delegate strength in each camp are on hand trying to wrangle places on the slate for people partisan to their man.

## President's Visit To West Point Is Marred by Drizzle

West Point, N. Y. (AP) — President Truman arrived here by train 9:30 a. m. today for a speech at the 150th anniversary convocation of the United States Military Academy. A drizzle of rain was falling as the presidential special came in from Washington.

A cavalcade of cars took the party from the railway station to Doubleday Field, where an artillery battery of the 1802nd Special Regiment fired a 21-gun salute.

Rainy weather made it uncertain whether the colorful review scheduled for this afternoon would be held.

The President will lunch in the cadet dining hall with nine cadets from Missouri, his home state.

Gen. Omar N. Bradley, chairman of the joint chiefs of staff, also was to speak.

Gen. Matthew B. Ridgway, en route from his former Far East Command in Tokyo to his new post as Allied Commander in Europe, accompanied the President.

The President is slated to lunch with a tableful of Missouri cadets, and will return to Washington by plane or train late in the afternoon.

## 25th Anniversary of Epochal Solo Flight

New York (AP) — This is the 25th anniversary of the start of Charles A. Lindbergh's epochal solo flight from New York to Paris.

Today, about 1,500 persons are over the Atlantic on routine commercial flights following the trail that Lindbergh blazed.

Lindbergh was a little-known mail pilot when he set out from Roosevelt Field on Long Island on May 20, 1927. He was acclaimed by the whole world when he set down his plane, "The Spirit of St. Louis," at Le Bourget field 33½ hours later.

Not 50 years old and publicity shy, he lives quietly with his family at Darien, Conn.

## School Board Budget of \$833,000 Is Approved; Another Delegation Present

At an adjourned meeting of Warren school board, held last evening, the budget for the school year 1952-53, in the approximate amount of \$833,000, was approved and the tax rate set for the year. School taxes will remain the same as during the past year, 25 mills property tax, \$5 per capita tax, and \$5 residence tax on all boro citizens over 21 years of age.

Miss Mary Hutchings was hired as secretary to Superintendent of Schools Carl E. Whipple. She will replace Miss Adeline Russo, secretary for the past five years, who will be employed at Warren State Hospital.

Miss Hutchings will be a June graduate in secretarial training from Westminster College, and until she takes over her new duties, the position will be filled by Mrs. Mary Collins.

The board was visited again last night by a delegation of between thirty and forty citizens from the South street area, who again protested the proposed closing of the South street school.

They told the Times-Mirror this morning that the board assured them it wouldn't make a definite decision at least until the new school at Jefferson street was opened in 1953, although one board member is quoted as saying that it would cost \$150,000 to reconstruct the South street school.

The group feels, they went on to say, that the school board has not made an estimate of the cost of repairs. Citizens in that area point out that youngsters in the grades are compelled to go home for lunch and that some would have to walk a mile four times a day as a result, or be transported by a schedule of rotation set up by parents.

The group also feels that as long as the school building now exists, it would not be a hardship on the school district to provide for at least the first three grades in the present building. After that time, most parents feel that the youngsters would be old enough to make their way to and from the new school. They contend that the bulk of the population to fill the new school would come from the South street area.

## ONE DEAD AND 85 INJURED IN ONE UPRISING

Pusan, Korea (AP) — Communist war prisoner rioting spread to a Pusan camp today and flared in two new but minor revolts at violence-ridden Koje Island Camp No. 1.

One Red POW was killed and 85 were injured at Pusan.

One American guard suffered a minor injury in the 2½-hour battle of clubs and fists in Pusan Camp No. 10. No shots were fired by the combat-wise United Nations guards, although they were armed.

On Koje, it was disclosed that two mild revolts were settled without incident by the new camp commander, Brig. Gen. Haydon L. Boatner, during the first four days of his command.

These occurred while high-ranking officers of Gen. Mark Clark's Far East Command in Tokyo studied reports on February-March Koje riots in which 90 Red male POWs and one American soldier were killed.

One of the minor new Koje flare-ups involved the 400 women prisoners of war and civilian internees held on that island, 30 miles southwest of Pusan. The other was a sitdown strike by prisoner inmates of a U. N. Command hospital and their prisoner-doctors.

Boatner settled both with persuasion and firmness. There was no violence, no shots were fired, and no one was injured, he said.

At Seoul, Gen. James A. Van Fleet, commander of the U. S. Eighth Army, said the Pusan outbreak resulted from "an attempt by fanatical Communist prisoners of war to resist proper medical treatment of patient inmates of Enclosure 10."

Presumably the prisoner who was killed was bayoneted.

There had been trouble at Enclosure 10 before, but no reported bloodshed. The enclosure held about 10,000 prisoners until recently, when some anti-Communist POWs were moved to other Korean mainland camps and some rabid Communists were sent to Koje.

Enclosure 10 is commanded by Lt. Col. John H. Bostick, a military police officer, later stationed at Fort Sam Houston, Tex.

The fighting today was at a hospital for seriously wounded Chinese and North Koreans.

"gang" with some variations, has been making a spring trip to the Huntsville area for several years so it has become a sort of annual Post Office affair.

Welcomed back to duty last week was Axel Larsen who had been on the sick list since last December following a severe heart attack. He has made a splendid recovery but, by doctor's orders, he is getting back into harness gradually. It's his pleasant voice you'll hear generally now when you call 266 with an inquiry or complaint. Go easy on him for awhile at least. By the way, all calls to the Post Office are now on 266, the old 1802 number was discontinued some time ago. Still two trunks but only the one number, 266, to remember.

Speaking of complaints — the post office gets them, of course, and occasionally a justifiable one. Every complaint, regardless of nature, is referred to the Postmaster and, after investigation,

handed personally by him. Patrons should have no hesitancy in reporting any failure in service or possible dereliction of duty by an employee. It is only by learning of such things that correction may be made.

One complaint, back-fired last week. The mother of a local boy attending college about 100 miles distant had mailed the weekly laundry case to him on Wednesday. Friday afternoon it was back. Without opening the case she lugged it to the Post Office to find out why it hadn't gone out when mailed. At the suggestion of the window clerks she opened the case to find, that's right, not the clean laundry she had sent out Wednesday but her son's returned laundry for the next week's "wash". It had been delivered and returned in two days and she still can't believe it.

This illustrates how important proper timing of mailing and mail-handling in the day may be. This

# Youngsville High Alumni Reunion Is Largely Attended

One of the largest crowds to ever attend an alumni affair turned up on Sunday afternoon to celebrate the 50th anniversary of the Youngsville High School Alumni Association. Rather than a dinner, the committee in charge decided upon a reunion style of party, and the group voted to repeat the same type next year. There were over 200 in attendance, coming from Erie, Corry, Warren and Tidoute, with the class of '52 as honored guests.

At the business meeting, the roll of classes was called, beginning with 1900, and the class with the most members present was that of 1942. New officers elected include Florence Peterson, president; Bill Pollard, vice-president; Onelia Sheffer, secretary; and Anne Sweetland, treasurer.

A representative from each class was appointed to secure a new list of addresses of members of his class, and to turn these over to Mrs. Jack Dailey, who will compile a new alumni list.

Ray Barton acted as master of ceremonies for the program which followed the dinner. A carriage was presented Miss Catherine Agnew, oldest woman graduate present, representing the Class of '01. The oldest male graduate present was Percy Kay, Class of '11, who received a billfold.

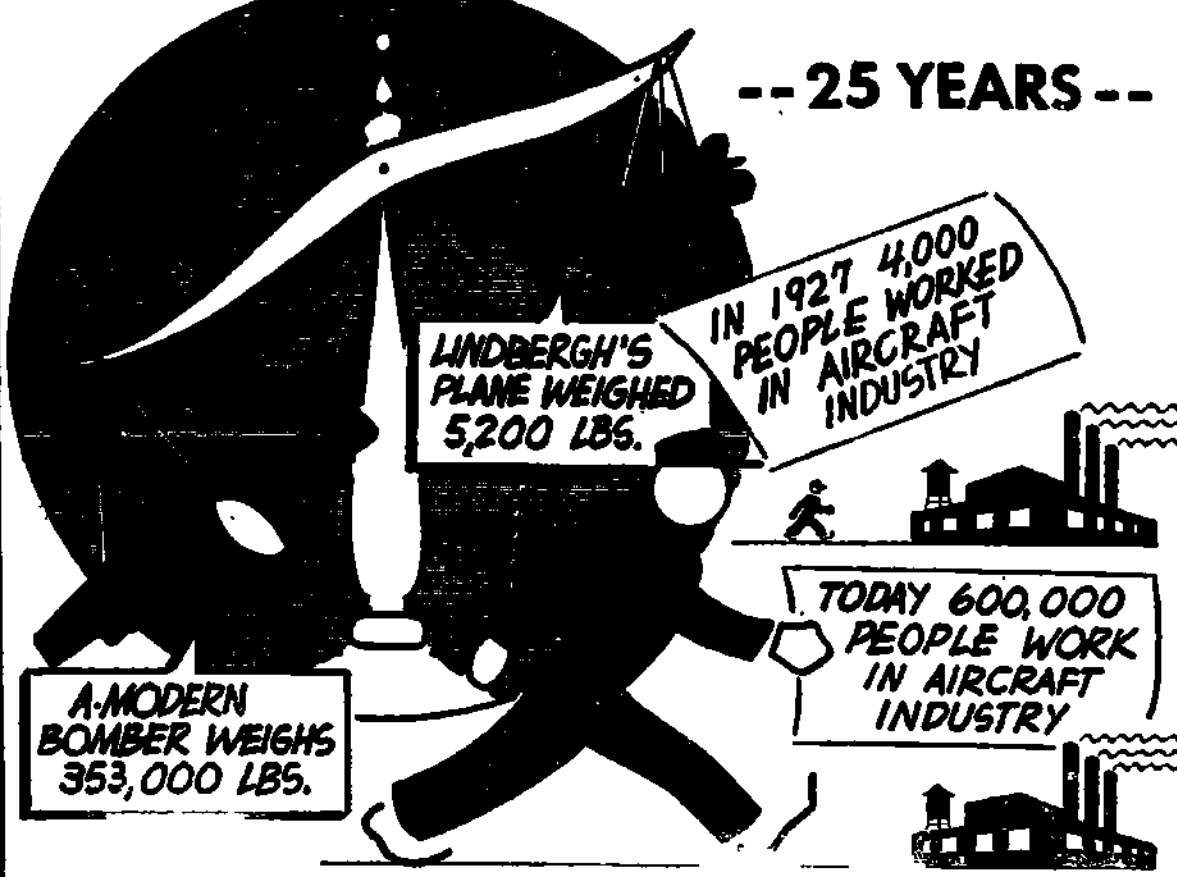

Those present enjoyed softball, a tug of war, horseshoe pitching and a general visit.

A committee meeting called for this evening at seven o'clock has been rescheduled for nine p. m. in the Scout room and all fathers are invited to attend.

Weather permitting the Scouts will go up along the Allegheny Monday night, May 26th and have a weiner roast, with fathers as special guests. Those in charge are also planning a fathers and sons weekend camping trip.

# Glade Fire Dep't To Meet Thursday

Residents of that area are reminded of the important meeting of the Glade Township Volunteer Fire Department to be held Thursday evening at 7:30 o'clock at the Irvinedale School building.

Those attending will have an opportunity to inspect a reconverted truck, and the builder will be present to demonstrate it. Prices

will be submitted for portable pump, hose and other equipment.

The officers are hopeful that members assigned to talk to residents in the different sections of the township will be prepared to make reports. The committeemen are George Walker, John Allen, Harris Johnson, Wilbert Knapp and Claire Rapp. These discussions were mainly in regard to recommendations for a location for the proposed new fire station.

Light refreshment will be served and a large crowd is anticipated.

# Sugar Grove Post Announces Plans For Memorial Day

Sugar Grove—Plans have been announced for Memorial Day by the Sugar Grove American Legion Post. Everyone taking part in the parade should meet at the Legion Home at 10:30 a. m. Memorial Day, with the program in Memorial Park at 11:15.

The Rev. Gustav Erickson, pastor of the Lander Methodist church, will speak on "Keeping Faith With Our Noble Dead."

Frank Gorman will act as parade marshal, with Stuart L. Andersen and George Barnes assisting. Sidney Nobbs will have charge of firing squad, and Gerald Loomis of placing the wreath. Hobart Sanders and Stuart T. Andersen are in charge of park arrangements and the committee for the dinner to be served for all taking part in the program at the Home following the program are Robert Morgan, Kenneth Frank, William Lester, Conrad Ross and John Thorpe.

All veterans, whether members of the Legion or not, are invited to march in the parade. Members of the Legion are asked to meet at the Home May 29, at 7 p. m., to place flags on graves.

At the last regular meeting of the Legion guest speakers were District Deputy Commander Gamble, Greenville, who spoke on the work of the organization among the sons of veterans and membership. He also spoke on the "Back to God Movement" sponsored by the National Legion. Other visitors at the meeting were Commander Paul Redfoot, Robert Parker, Fred Travis and Luther Kuder. The latter, a former resident of Sugar Grove, spoke humorously of the days when he lived here and was a student at the Seminary. He then told about the project of the Chamber of Commerce and the American Legion, at Greenville, who purchased 700 acres of the former Camp Reynolds property and are making a business center.

A social time followed with refreshments served by Gerald Loomis, Conrad Ross and Kenneth Frank.

# Co. Medical Society Endorses Chest X-Rays

The following self-explanatory letter has been received by H. M. Mohr, executive secretary of the Warren County Tuberculosis Society, from the Warren County Medical Society, endorsing the X-ray project in the county this week:

April 15, 1952

Homer M. Mohr, Executive Secretary,  
Warren County Tuberculosis Society.

Dear Mr. Mohr:

The Warren County Medical Society endorses the work of the Mobile X-ray Unit. Its value in the early detection of pulmonary tuberculosis has been well established. The films taken during these surveys also have been helpful in the early diagnosis of other disease conditions of the chest.

Very truly yours,  
John C. Urbaitis, M. D.  
Secretary  
Warren County Medical Society.

# Canned Food Prices Due to Go Up Cent Or Two O.P.S. Says

According to an Associated Press dispatch from Washington prices in many grocery stores were due to go up one to two cents a can today on some canned vegetables and juices. Housewives can expect increases soon on a large variety of other foods.

The Office of Price Stabilization said it was granting the higher prices on vegetables, fruits and juices to compensate wholesalers for "markedly lower earnings."

Under this order come canned corn, green beans, peas, tomatoes, tomato juice, canned fruit cocktail, pineapple, peaches and pears.

O.P.S. said most independent stores will be affected but few chain stores will be, since they normally buy direct from producers rather than from wholesalers.

The agency said it may issue before the end of this month an order permitting retailers to increase their markups on such foods as concentrated coffee, dry cereals, cookies and many canned meats.

AT CONNEAUT LAKE BEACH CLUB—Starting May 24th, the Sapphire Trio above, will be playing at the ever popular Beach Club at Conneaut Lake Park. The sparkling music of this versatile trio is based not only on its danceable rhythm, but also in the variety of instruments and vocals that are handled so capably by these three artists. Jimmy Yuill, the handsome chap who fronts the trio, displays a fine voice and excellent musicianship on trumpet, tenor sax and clarinet. Jan Holiday at the piano joins Jimmy occasionally in some fine duets and also gives forth with some excellent solos. Jan not only plays very good piano, but he has an instrument connected with the piano called an organ, that is something new in the music world, and certainly a welcome addition. The effects obtained by this instrument are simply wonderful and must be heard to be appreciated. Joe Glanci at the drums keeps the tempos always in a very danceable mood, whether you prefer rhumbas, foxtrots or waltzes. Joe occasionally switches over to vibraphones, just to show a little more of how much versatility three men can produce musically.

## BRAWL ON RESERVATION

An early morning drinking and dancing party in an Allegheny Indian Reservation home resulted in the death Sunday of a youthful participant who accidentally received a severe left forearm laceration when he fell through a window. The victim, Merlin Redeye, 19, Quaker Bridge, died at 3:35 a. m. in Salamanca, N. Y., District Hospital, about one hour after he was taken there in an ambulance. Sheriff M. L. Sigel and Deputies DeForest McClune, Herbert Bennett and Joe Mongillo rounded up three other participants in the party, held in the home of Mr. and Mrs. Leslie Bowen, Red House Rd., on the Indian reservation.

## THE NATIONAL PTA

The 1952 convention of the National PTA is being held in Indianapolis, Ind., this week, May 19-21, based on the theme, "The Citizen Child—What of His Future?" Workshops for safety, legislation, parent and family life education, school education, program planning, and councils are being offered. The newly elected Northwest District president, Mrs. Harold Moore, of Wesleyville, and the state president, Mrs. Alexander Groskin, are among those in attendance.

Membership in the National Congress of Parents and Teachers stands at an all-time high of 7,219,165. California ranks first with over 1,000,000, and Pennsylvania stands fifth with 337,976 members, a gain of 33,000. The national membership includes 2,500,000 men and 600,000 teachers.

The National PTA is the largest group of volunteer workers in the world interested in improving the welfare of all children and youth everywhere. Anyone with these interests in mind is always assured of a welcome at local meetings and is encouraged to add his name to the membership.

Much of the information and inspiration of the national sessions will be brought back to Pennsylvania and made available at the summer session at Edinboro State Teachers College July 7-11. All local units are urged to send representatives to the Edinboro gathering, also to the state convention at Pocono Manor in October.

## "THEIR FLOWER—THEIR SPIRIT"

"Their Flower—Their Spirit" is the title of a Poppy Day Message by Mrs. E. A. Campbell, national president of the American Legion Auxiliary in The National News, official paper for the organization. She says:

"In this year of 1952 when man's conquest of the air and the atom have brought danger of ruthless attack to American homes for the first time since Indian days, everyone of us, man and woman, needs a spark of heroic spirit kept bright among emergency supplies. Who knows when any of us may be called upon to face death for the protection of our families, our communities and our nation.

"From our memories of those who died that America might live we can draw strength to guard against the dangers of this new age. Wearing their flower over our hearts cannot fail to awaken some of their spirit within our hearts.

"Let us, you and I, all of us, help bring to all Americans the inspiration of the Poppy on Poppy Day."

The American Legion Memorial Poppy will be on sale in the borough and some rural sections of the county Friday and Saturday of this week.

The first concert of the Warren Civic Orchestra, immensely enjoyed by a large crowd at the High school auditorium last evening, must have proved most gratifying to those who conceived the plan for such a musical organization for the community and nurtured the idea to such a successful conclusion. ## Ridgway Almost Sure to Get Promotion to Five-Star Rank

BY PETER EDSON  
NEA Washington Correspondent

WASHINGTON (NEA)—Four-Star Gen. Omar B. Ridgway is almost a sure bet to be given five-star General of the Army rank before he goes to take up his new job as SACUR—Supreme Allied Commander in Europe.

He would be the second U. S. general to be given five-star rank since World War II. General of the Army Omar Bradley was the first. Marshall, MacArthur, Eisenhower and Arnold were first given this rank during the war.

If General Ridgway doesn't get it now he would be outranked in Paris by two of his deputies, British Field Marshal Lord Montgomery and French Gen. Alphonse Juin.

The government's housekeeping agency, General Services Administration, is making vigorous denials that it is competing with privately owned Western Union Telegraph Co. in operating a wire service. Western Union has been blasting at the GSA telegraphic network in newspaper advertisements headed, "Blueprint for Socialism." The main argument is that the government-operated telegraph service is a foot-in-the-door approach to government ownership, which is now being urged by striking Western Union employees.

It is a retailist is that the government wire circuit, linking 36 cities in which Uncle Sam does most of his business saves the taxpayers about \$2 million a year. Its operating costs are \$1.4 million a year. If messages were sent at commercial rates, cost would be \$2.4 million. Furthermore, the private lines are faster. And finally, the lines and equipment are leased from American Telephone and Telegraph, which is privately owned business and a Western Union competitor in this field.

CONGRESSIONAL economy and budget-cutting drive now indicates possible savings of about \$7.5 billion, or a little over 9 per cent. Of this \$4.7 billion is the House cut of military expenditures, \$1 billion is the indicated cut in foreign aid and \$1.8 billion is the saving that the House has been able to make on all other government spending.

Senate has so far completed action on only two bills. It cut the Treasury-Post Office bill passed by the House \$44 million and raised the House-passed Labor-Federal Security bill by \$2 million.

Irving S. Olds, retiring board chairman of U. S. Steel Corp., told his stockholders that "the steel companies have never asked that steel prices be increased \$12 a ton."

This \$12-a-ton figure did not, however, appear out of nowhere. On March 21 the Washington headquarters for the steel companies put out a statement that the recommended wage rate increases "would cost the companies about \$1 billion a year, which is about \$12 per ton of steel products shipped by the companies."

On the other hand, after President Truman blasted Sen. Homer Capehart's price-raising amendment, the government put itself in a ridiculous position by trying to force the steel companies to accept a \$3-or-\$4-a-ton price increase under the Capehart amendment, to meet government-recommended wage raises.

Nomination of Albert F. Nufer as U. S. ambassador to the Argentine will mean no change in U. S. watchful policy toward Dictator Juan Peron's government. The main purpose was to get a career diplomat in Buenos Aires to succeed the string of political appointees who thus far have not been able to improve relations with the Argentine.

One of the biggest headaches in U. S.-Argentine relations today is the stream of anti-American propaganda being issued by Peron's labor attaches at other Latin-American capitals. Much of it follows the straight Communist line.

## AROUND THE WORLD

**SHE'S WILLING TO LEARN**—Fiji, a fraternity house pet at Western Reserve University in Cleveland, O., is using the opportunity to increase her knowledge with other students. Fiji roams about, going from lecture hall to lecture hall, but she found what she wanted in Prof. Russell Gee, for she's listening to his lecture on the literature of the symphony.

**ALMOST READY**—The super liner United States is getting last minute touches in Newport News, Va. The \$70,000,000 vessel, America's largest, is 175 feet from keel to top of forward funnel, about the height of a 12-story building. The 51,000-ton ship will make her maiden voyage on July 3 and is expected to establish a new Atlantic speed record.

**HELP IN CONVALESCING**—Little Pak Lee Sook accepts a present from Pvt. Lloyd C. Sleasman, of Sumas, Wash., in the Swedish Red Cross Hospital in Pusan, Korea, as ARC recreation worker, Elizabeth Healy, Rye, N. Y., looks on. The clipper ship model was made by Sleasman as part of the hospital's ARC recreation program.

**UNDER THE RIVER**—Engineer Taylor MacElroy is standing on the pipeline laid at Tompkins Cove, N. Y., and which will reappear on the other side of the Hudson River at Indian Point. It's all part of the job of putting two-mile-long lengths of natural gas pipeline to bed on the river bottom. Concrete encased, the two 24-inch mains will serve as an underwater link for the main line being built to carry natural gas from Texas and Louisiana on up into New England.

**IT'S GROWING UP**—On the occasion of the 21st birthday of the Empire State Building in New York, actress Paulette Goddard cut a cake made for the occasion. Helping in the ceremony are C. W. Lyon, Jr., and Bernard Gimbel, center. The birthday party was held on the 86th floor of the world's tallest man-made structure which is 1472 feet high.

**AIRFIELD PASTURE**—A herd of 393 sheep, tended by a young shepherd, grazes peacefully on the grass plots between the airstrips at Tempelhof Air Base in Berlin. The shepherd lived inside the Western sector of the city, but his sheep and meadows were in the Soviet zone. In order to avoid their confiscation, he moved the animals over the border at night.

### FEELING THE EFFECTS OF SPRING

**DEALING WITH IT**—Two bears at a zoo in Paris, France, upper left, take advantage of the good weather to get some exercise, while Pandora, right, the Philadelphia Zoo's chimpanzee, dresses up daintily to eat a piece of cake on her fifth birthday. At the Children's Zoo in the Bronx, N. Y., David Willner, three, left Nanny, a goat, get a close inspection of his toy six-shooter, lower left. In Hollywood, right, when the Spring temperature got too high, Buck, a dog, met the situation with an ice pack and sun glasses.

**THEY'RE ALL TWINS**—Since twin baby elephants are as rare in their own world as are quintuplets in humans, the two shown upon their arrival in San Francisco from Siam are something of a novelty. Bound for a circus in Los Angeles, the year-old pachyderms were greeted by 12-year-old twin sisters Millicent, left, and Mildred George, for whom the animals were named.

**DANCE STEPS**—Pretty Margery Kent doesn't have to practice too much for her paces as a drum majorette in London, England. Margery's a ballet dancer and her dancing will stand her in good stead when she leads the band at Battersea Park gardens all this season.

### Truthseekers Class Is Hostess For Banquet

The annual banquet for mothers and daughters sponsored by the Truthseekers Class of Grace Methodist church was held in the church dining room, with 175 persons present.

Tables were attractively decorated, with mother-daughter dolls made of colorful crepe paper and little lady favors disclosing the menu and program. Invocation was given by Mrs. C. W. Baldwin, after which guests enjoyed a delicious dinner prepared by the Dorcas Society and served by the McCurdy Men's Class.

Mrs. Bernard Joy, accompanied at the piano by Mrs. Dwight Shultz, led group singing at intervals during dinner. Mrs. David Baislow, as toastmaster, presented the following program numbers:

Toast to mothers, Norma Sponser; response, Mrs. T. R. Sponser; devotions, Mrs. Everett Anderson; young men's quartet, Don Kirk, Dave Dunkle, Dick Nelson and Frank Danuski, all of Youngville; readings, Jane Munn; instrumental ensemble of high school boys, Lewis Garber, Bob Ebach, John Timm, James Loding, Jack Park, Doug Hetrick and Ronnie Wood, with Harry Summers as director.

Gifts were presented to the oldest mother, Mrs. Johanna Lucie, and to the youngest daughter, Marilyn Smith, three year old daughter of Mr. and Mrs. William Smith.

All were appreciative of the efforts of the various committees which combined to make the affair such a delightful occasion.

### MISSIONARY CHANGE

Lander—Members of the Missionary Circle are reminded their regular meeting has been moved up to Thursday afternoon, instead of the regular meeting date on Friday, and will be entertained by Mrs. Harry Mahan. All are requested to bring their mite boxes.

### NOTICE

Dr. H. R. Robertson will not be in his office on Wednesday, May 21st.

### FOSTER CEMETERY SOCIETY MEETING

Lander—Seventeen members attended the meeting of Foster Cemetery Society, held at the home of Mrs. Clair Putnam. Mrs. Homer Lindell presided at the business session and Mae Bishop conducted devotions. The president appointed Mrs. Ernest Stanton and Mrs. Vinton Finzer as the flowered committee for the cemetery; Mrs. Iva Hitchcock and Mrs. Dale Skinner as flower and sunshine committee; Mrs. Harry Ludwig and Mrs. Paul Lindell as quilt committee. Mrs. Putnam reported the current quilt is completed and will be quilted at the next WSCS meeting.

It was voted to pay the difference on a new power mower when the one presently in use has been sold. Mrs. Paul Lindell read a history of the Foster cemetery and the Cemetery Society, also the charter for the plot, which is dated 1875. To conclude, the hostess served refreshments.

Mrs. Fred Ludwig will entertain the members in June.

### JACKSON BARRELL

ENGAGED AS ORGANIST  
A letter from Jackson Barrell, former director of music at First Presbyterian church, brings the news that he has been engaged as organist-director by the North Presbyterian church, Broadway and 15th street, New York City. Presumably in the nature of a "try-out", Mr. Barrell was asked to come Palm Sunday for two weeks as guest-director, but was engaged the first Sunday without further ado.

One feature of the church's music is a quartet of all professional radio and concert artists and it will interest friends to know that a former member of this group was Pauline Pierce, well known Chautauqua opera singer. Mr. Barrell writes that he will continue his affiliation with the Riverside church choir, singing with that group in Sunday vesper concerts.

### TIONA REVIEW

The regular meeting of Tiona Review No. 12, WBA, will be held at the home of Mrs. Anna Williams, Wednesday afternoon at two o'clock.

### Mother And Daughter Service At Clarendon

A mother-daughter service, sponsored by the WWS and Ladies Aid Society of the Clarendon Evangelical United Brethren church, was held in the church for 40 women and girls of the parish.

The service opened with the hymn, "Tell Me the Story of Jesus", and prayer by Mrs. Fred Blair. A playlet, depicting motherhood in the various countries in which the church has missions, was presented, with Pauline Frederick as reader and the following in appropriate costumes: Mrs. Clayton Larson, Peggy Blum, Carol Bullock, Wanda Henry, Viola Wilbur, Jean Ann Halgren, Carol Lobdell and Patty Schwartz.

Mrs. Peter Yagge acted as reader for a dialogue given by a number of young people, assisted with hymns by the choir. Further numbers were: Vocal duet, Mrs. Ned Henry and Mrs. Beverly Ludwig, "When Mother Prayed"; vocal trio, Linda Kervin, Judy Albaugh and Violet Cole; toast to mothers, Mrs. Mary Lou Peterson; toast to daughters, Mrs. Fred Blair; closing hymn, "Blessed Book", sung by the choir; closing prayer, Mrs. Mabel Sharp.

A gift was presented to Mrs. Linna Frey as the oldest mother; to Mrs. M. L. Mason, youngest mother; Mrs. Lynn Atkins and Mrs. Ellen Lobdell, having the most daughters present.

A buffet luncheon was served in the church parlors from a table beautifully decorated in pink and white and arranged by Mrs. Dale Meddock, Mrs. Ellen Lobdell and Mrs. Neil Sharp.

### OPEN HOUSE ENJOYED

AT PITTSFIELD HOME

Mr. and Mrs. E. E. Lynn observed open house at their home in Pittsfield Wednesday, with spring flowers decorating the house, and ladies of the church assisting their son, Robert Lynn, and his wife in the entertaining for observance of their 40th wedding anniversary. A large three-tier wedding cake, made by Mrs. Myrtle Haight, featured the attractive table decorations.

Lovely gifts received included 40 one-dollar bills and a bedspread from the church, where they are faithful attendants. Relatives and friends were present from Houghton and Jamestown, N. Y.; Kent, O.; Corry, Irvine, Youngville, Garland and Pittsfield, to express congratulations and best wishes for many more years of happiness together.

### IRVINE LADIES' UNION

The Irvine Presbyterian Ladies' Union was entertained at the home of Mrs. Clara Huling for its May meeting. The president opened the session with scripture and prayer and roll call was answered by naming a flower that blossoms in May. Each one attending brought an article to read for the program of the day. A "surprise" bazaar sale was conducted for the benefit of the treasury, all the articles being wrapped when sold. Attention was called to the next meeting, to be held with Mrs. Bessie Huckabone in Starbrick on June 19. To conclude the meeting, the hostess served refreshments from a dining table made lovely with tulips and other spring flowers.

### MOTZ AND SHARP

MARRIAGE ANNOUNCED  
Miss Louise Sharp, daughter of Mrs. Vivian Olson, and Paul Motz were united in marriage Saturday, May 10, in a double ring ceremony performed in Trinity Memorial church, the Rev. William A. Chamberlain, Jr., officiating.

After a week's trip to Kentucky and nearby states, the couple will be at home to friends in Venturatown. Mrs. Motz is employed as a nurse at Warren State Hospital and her husband is a National Forge employee.

### IRVINEDALE PTA MEETING TONIGHT

Installation of newly-elected officers will be one of the features of the May meeting of Irvinedale PTA, to be held at the school at eight o'clock this evening. Speakers will be Mrs. Gerald Archibald and Mrs. Russell Harris, music will be in charge of Harry Summers, and refreshments will be served to conclude the evening.

### California June Bride

Mrs. H. L. R. Anderson, Grove City, announces the engagement of her daughter, Eleanor Jane, to Paul Hallam Bohm, son of Mrs. Frank Sullivan, Santa Monica, Calif. The bride-elect, a graduate of Grove City College in 1946 and member of Sigma Kappa Delta Sorority, is a sister of Mrs. Lyle Knapp, East Fifth avenue, extension, who is to be matron of honor for the wedding in the Brentwood Presbyterian church in Los Angeles on June 22.

Miss Anderson was employed by the United Refining Company in Warren for a year and a half, after leaving here, was secretary, hostess at the Hacienda del Sol, guest ranch at Tucson, Ariz., for four winter seasons. During the summer, she was employed in a similar capacity at Glenbrook Inn, Lake Tahoe, Nev. Since last September, she has been with the brokerage firm of Dean Witter and Company in their main office in San Francisco.

Mr. Bohm spent two and one-half years in the United States Army during World War II, with 14 months' service in Europe with the Third Army. He is a graduate of the University of Southern

California and is presently in the Dental School of the College of Physicians and Surgeons in San Francisco. He is a member of Delta Sigma Delta Fraternity.

### WIKES AND WHITMAN WEDDING MAY 16TH

Miss Lois Whitman, granddaughter of Harry Rudolph, East Hickory, became the bride of Carl Wike, of Polk, at 8:30 p. m. Friday, May 16. The single ring ceremony was performed by the Rev. L. J. Lindsey, of Titusville, district elder of the Free Methodist church. They were attended by Mr. and Mrs. L. E. Moore, East Hickory.

After an extended wedding trip, the newlyweds will reside in East Hickory. Mrs. Wike is a graduate of Tionesta High School and has been employed at the East Hickory post office. Mr. Wike served in World War II and is employed by the United Natural Gas Company.

# ELKS TAKE LONE POSSESSION OF TOP PLACE IN LEAGUE

## Antlered Herd Puts Across Three Runs in Sixth for a 4-3 Victory Over Merchants Nine

The Warren Elks took lone possession of first place in the Sunset Baseball League at the State Hospital, last night, when they put three men across the plate in the last of the sixth for a 4-3 victory over the Warren Merchants. It was their second since the opening game, when they nipped the Youngville nine, 2-1.

Play being called after six innings because of prevailing rain, Diz Hines went the distance on the mound for the Elks and was credited with a two-hitter.

Picking up a lone tally in the bottom of the second frame, the Elks hung on to their slim lead until the top of the sixth when Jerry Vesling, Ed Shanshala and Don Baldensperger crossed home

## Through The Wind Tunnel

Game officials say that damage Pennsylvania's black bears have caused so far this spring has been largely confined to bee hives and the colonies of bees and honey in them. But Games Protector Daniel E. Russ tells this tale about a smart brum that found corn to be the answer to his ravenous spring hunger.

On May 4, farmer Ralph Yearick, R. D. Mill Hall, Clinton County, complained that a bear made nightly visits to his barn floor, on which rested a crib of corn. The bear would help himself to large meals of ear corn that poured handily from an opening at the base of the crib. About 1000 yards from the Yearick barn Game Commission food and cover carpenter set a live trap along a farm road the third used. The bear ignored the trap as he travelled to and from the barn.

On May 7, officers had the farmer drag the heavy wooden trap by tractor onto the barn floor. Then he and a deputy changed the bait. The next morning farmer Yearick notified Russ that the trap was "full of bear". Russ reported that the bear was in surprisingly good flesh. The sheen of his coat attested to his exceptional spring condition. (Farmer Yearick says he has the answer.) Russ and other qualified observers said the animal weighed at least 300 pounds.

The game protector loaded the trap, with the bear in it, onto a truck. The animal was released on state game lands near Farrisville. When liberated, Mr. Bruin rushed from the box and took off unceremoniously at the lumbering, speedy gait bears assume when frightened.

Up around the club "they laughed when Diz Hines boasted he was going to beat the Merchants!" And few of the boys who heard his declaration were on hand when he set down the Retailers to the tune of 4 to 3 in an interesting contest played during a drizzling rain at the State Hospital diamond last evening. It was a rattling good ball game to watch, and if it sets a pattern for others to come the league is certain to provide a lot of entertainment for

## Indians Outfielder Takes Batting Lead in American League

New York (AP)—A hot streak by Dale Mitchell of the Cleveland Indians, which saw him gain 20 points during the past week, moved the hard-hitting outfielder into the American League batting lead.

Mitchell, tied for fourth place last week, collected nine hits in 22 at bats to boost his average to .360.

Last week's leader, Phil Rizzuto of the New York Yankees, lost nine points and fell to third place, behind Boston's Dom DiMaggio, who has a .343 mark. Rizzuto is hitting .342.

Figures include yesterday's games.

Jackie Robinson, last week's leader in the National, also went into a tailspin, but unlike Rizzuto, the Brooklyn second baseman didn't lose his lead. In 24 at bats he connected safely only six times and his average skidded 43 points to .350.

Del Ennis of the Philadelphia Phils, holding down the second slot, picked up four points to bring his average to .345, five behind Robinson. Joe Adcock, of Cincinnati, in third, went on a spree, going nine for 21, to send his average sailing 27 points to .341.

## Pirates Are Blanked as Sal Maglie Hangs Up His Seventh Straight Win for the Season

AP Sport Writer

The seven National League rivals of the New York Giants were wondering today if Sal (The Barber) Maglie is ever going to be beaten. And you can't blame the Pittsburgh Pirates if they shake their heads in an emphatic negative manner.

The 35-year-old righthander from Niagara Falls, N. Y., hasn't been beaten this year. He's racked up seven victories to run his undefeated string over a two-year span to 10. He has met and whipped all except the Boston Braves and Chicago Cubs.

In 62 innings on the mound, he has allowed only seven earned runs for the enviable average of 1.02.

When he blanked the Pirates 4-0 on seven hits yesterday in one of the three games played in the majors it marked the 13th straight time the curvball ace has turned back the cellar-dwelling Bucs.

In the only game played in the American League, Lou Boudreau again called on his sharp-fielding oldtimers to give the Boston Red Sox a 3-2 victory over the Detroit Tigers.

The victory, credited to rookie

Warning, to players and fans attending games at the State Hospital: 1. some of you fellows continue to speed around the roads through the hospital grounds, you will find yourselves looking for some other place to play your league games. Perhaps you haven't noticed the speed limit signs at the entrance, but whether you have or not, be reminded you should slow down to at least 15 miles an hour when entering the grounds. Don't let a few spoils of fun for so many who enjoy the facilities at the State Hospital. Just a little cooperation, please.

The Merchants pulled what could be termed a "Diz Hines shift" when the veteran pitcher came to bat in the sixth with three on and one out, and it was an odd set up to see Kifer, who was holding down rightfield pasture, playing right off the grass between first and second.

Sunset League games should be started a little earlier, especially when the sky is overcast, like it was last evening. There will not be so much tension for players and it is certain fans will have more fun.

With all 200 and some pounds of Homer Barr standing on third base for Grace Methodist in the Y-Church League this year, stealing third isn't going to be too much of a pleasure any more.

## Wellsville Wins In Only Pony Contest

By The Associated Press

Rain wiped out all but one game on last night's Pony League program, but that one contest proved well worthwhile to the corporal's guard who sat through mist and drizzle.

In a dogfight to rid themselves of the cellar blues, the Wellsville Rockets put over a tally in the bottom of the sixth to squeeze by Corning, 5-2.

Frank McCarthy took to the slippery mound like a true mudder as he held the Athletics to a mere three hits in gaining his second win of the year. Bob Starace took the loss for Corning.

Postponed because of rain were Hornell at Olean; Hamilton at Jamestown, and Batavia at Bradford.

# To the Fair-minded People of Warren, Pa.

A short time ago a contract was made by The Erie Brewing Co., makers of KOEHLER'S Beer, for small posters on the taxi cabs and buses of Warren. Soon after the first appearance of these posters telephone calls were received by the cab and bus companies protesting the advertising of beer in this manner.

The brewers of KOEHLER'S "Three Fine Brews" feel that the American principle of freedom of choice and the matter of tolerance of each other's preference—whether it's a glass of temperate beer or buttermilk, should apply in Warren, as elsewhere. KOEHLER'S also recognizes and in this advertisement goes "on record" that everyone is entitled to his own taste and opinions.

However, the brewers of KOEHLER'S also feel that the coercion thus exercised by a small minority of persons is not representative of the many people who live and work in Warren and who enjoy a glass of beer. In this friendly, freedom-loving land of ours—perhaps no beverages are more "at home" on more occasions than good American beer. Beer belongs—to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy beer, also belongs—to our American heritage of personal freedom.

As a part of the brewing industry—an industry which has paid almost 3 1/2 billions of dollars\* in taxes to the U. S. Treasury Department in the last 5 years, The Erie Brewing Company suggests to the fair-minded (you don't have to be a beer drinker to be fair-minded) persons of Warren that they, too, write or telephone the taxi cab companies, the bus company or The Erie Brewing Co., direct and ALSO enter a protest to this attempted limitation of legal rights.

## HOMES FOR AMERICANS

#### AP Newsfeatures

A SMALL HOUSE that looks big, both front and rear, this plan incorporates several modern ideas. The shed type roof provides for clerestory windows giving the living room maximum ventilation. These windows are shown under the roof on the rear garden side. Large picture windows on both front and rear and high windows for privacy in bedrooms are among other details. This is Plan H-162-P by the Homograft Co., 11711 East Eight Mile Rd., East Detroit, Mich. It covers 1,027 square feet.

(Further information and plans can be obtained from architect named above.)

### Pirates Get Only Six Hits Off Maglie

New York (AP)—Sal Maglie shut out the Pittsburgh Pirates 4-0 yesterday to out the New York Giants in a tie for the National League lead with Brooklyn.

The Giants' ace scattered seven hits and struck out six, bringing his season's output to 42. Bobby Thompson drove in all four Giants runs with a double and two singles. The loss was charged to Howie Pollet, his fifth.

Due to inclement weather the track and field meet scheduled between Warren and Bradford at Beaty Field this afternoon has been cancelled. No date was set for a future encounter.

### MATTHEWS WINS OVER LAYNE AT PORTLAND

Portland, Ore. (AP)—Harry Kid Matthews cleared his first major heavyweight hurdle here last night. Matthews, 183½, Seattle, looked impressive in punching out a 10 round unanimous decision over Rex Layne, 198½, Lewiston, Utah.

Matthews was just too classy and hit too hard for Layne. The sharp-knitting Seattle veteran scored the only knockdown of the fight in the second round. He set the rugged Layne up with body punches to land his favorite left and right combination to the head.

### FOOTBALL MEETING

It has been learned from J. E. Leiding, Warren High School director of athletics, that 130 boys were in attendance at the football meeting held at the senior high school last night. The session was called to secure the names of boys who will be participating in the sport this fall so that their schedules can be properly arranged for the next school term.

### Warren Entries In Buffalo Horse Show Win Many Ribbons

Entries from the stable of Emmons R. Jones, 110 Second avenue, president and general manager of the Glendora Products Co. and Smith Horton Co., practically stole the spotlight at the annual horse show of the Buffalo Saddle and Bridle Club held Thursday, Friday, Saturday and Sunday.

A writeup about the show in one of the Buffalo papers Monday carried a glowing account of the records scored by the Jones horses along with a picture of Dixie Marchioness, the horse that won the five-gaited mares class, along with the five-gaited combination and five-gaited stake.

Horses from the Jones stable, in charge of John Rogers, trainer, received awards as follows:

Glendora Ace, three-gaited, novice class, junior class and third in stake class.  
Little Polly Teavine, three-gaited pony.  
Glendora Chief won the five-gaited model class, stallion and gelding classes.  
The Monarch won the junior five-gaited class.  
Dixie Marchioness, five-gaited mare, five-gaited combination, five-gaited stake and declared grand champion five-gaited horse of the show.

## Average of \$5.03 in Unit Rent Increases Allowed in District

It was announced today by Frank S. Anderson of Erie, Area Rent Director, that 7,341 landlords in Warren, Erie, Crawford and Mercer counties have received increases in rent, averaging \$5.03 per unit for 8,053 units, from the date of enactment of the present rent law, August 1, 1951, through April, 1952, while 333 landlords had their petitions denied.

It was shown that 5,274 units received increases as the result of filing special simplified petition forms permitting a 20 per cent increase over the June 30, 1947, rent to cover increased cost of operation and maintenance, while 2,779 units received increases as a result of filing regular petition forms for adjustment of rent.

The rent director indicated that many landlords in the Warren area have failed to petition for possible increases permitted under the present law and that the percentage of landlords in the Warren area who have petitioned for increased costs of operation and maintenance is considerably less than for the Erie area. He called to the attention of both landlords and tenants that Rent Consultant Albert J. Jackson has office hours in Room 12 of the Post Office Building in Warren every Thursday of each week from 10:00 to 12:00 and 2:00 to 3:00, except legal holidays, and that he is ready to assist any landlord in the completion of necessary forms that he may desire to file with the Rent Office.

Anderson indicated the following as the main bases on which a landlord may petition for an increase in rent: Major capital improvements; increase in services, furniture, furnishings, or equipment; subletting where none previously existed; or increased subletting above that of the freeze date; an increase in occupancy above normal for a dwelling unit; the fact that the unit was rented for a rent substantially below the rent for comparable housing accommodations at the time rents were frozen; and increased cost of operation and maintenance.
